## INTERNSHIP

Feb 01, 2023 - Mar 03, 2023

■  
Frontend Developer

Company - Oasis Infobyte

During my time as a web development intern at Oasis Infobyte, had the opportunity to work on various projects that not only honed my technical skills but also provided valuable real-world experience. Over the course of one month.

## PROJECTS

### SMARTNOTEPAD

As a skilled Python developer, designed and implemented cutting-edge Smart Notepad application that revolutionizes the way users take and organize notes leveraging my expertise in python and problem-solving abilities developed a feature-rich user-friendly and efficient application to enhance productivity and streamline notetaking processes.

### TECH USE : PYTHON

#### Medical Ecommerce Website

In my role as a skilled Full-stack Developer, conceptualized, designed, and developed a cutting-edge medical ecommerce website, seamlessly integrating front-end development with the power of python and django on the back end. This project showcases my ability to create dynamic and user-centric web applications tailored to the specific requirements of the medical industry.

### TECH USE : FRONTEND , PYTHON , DJANGO
